

During this historic time, Branch & Bird has remained flexible with our operations, and we are adding Saturdays to our hours of operation once again.

Those who would like to enjoy our dining room or patio terrace may order online (select “Eat-in” as your order type), by phone or at the counter with a disposable menu. Pay for your order on your smartphone, through Apple Pay at the counter or by providing your credit card information. All of these approaches will help to eliminate physical interactions between team members and guests.

In addition, we will continue to offer our family-style dinners and our limited daily menu via curbside pickup and take-out at Branch & Bird. We are excited to announce we have expanded our delivery area to select zip codes: 76132, 76116, 76107, 76109, 76104, and 76102. Currently, our delivery fees are waived for orders over \$30.00.

We are going to move back to china, flatware and glassware and have added another level of sanitation to do so. For our outdoor patio guests, you may see some plastic glasses for wine or champagne for the time being. We ask guests to follow the general COVID-19 safety protocols: social distancing; no more than 6 at a table; proper nose/mouth etiquette; etc. Until 100% occupancy is initiated, we will offer a “favorites menu” and our dining room and patio will be available for eat-in orders during these hours: Monday – Tuesday, 8a – 6p; Wednesday – Friday, 8a – 9p and Saturday 5p – 10p.

Please stay updated through our website and social media platforms. We can’t wait to see all of our friends enjoying each other in our dining room and on our amazing patio terrace.
